

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-229-2210. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-800-229-2210 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	In-Network <a href="#">providers</a> : \$3,000 individual / \$6,000 family Out-of-Network <a href="#">providers</a> : \$4,000 individual / \$8,000 family	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. In-network does not apply. Out-of-network <a href="#">prescription drugs</a> , <a href="#">emergency room services</a> , <a href="#">emergency medical transportation</a> , and <a href="#">durable medical equipment</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	In-Network <a href="#">providers</a> : \$6,350 individual / \$12,700 family Out-of-Network <a href="#">providers</a> : \$12,700 individual / \$25,400 family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, prior authorization penalties, <a href="#">copayments</a> , and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://bluewaterbenefitsadmin.com">bluewaterbenefitsadmin.com</a> for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the network <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
