

Getting started with your specialty medication

Your health and well-being are the focus of everything we do. While taking a specialty medication may seem complicated, it doesn't have to be.

Caring for you

Blue Cross Blue Shield of Michigan and Blue Care Network care about what you're going through. And we're ready to help you manage your condition and specialty medicines with personalized support from our specialty pharmacy, Walgreens Specialty Pharmacy. Their care team is here to provide you with assistance and support to:

- Schedule delivery times and locations
- Assist with medication authorizations
- Help find financial assistance options
- Help manage medication side effects

How to get started

Please have the following with you:

- Blue Cross or BCN member ID card
- Prescribing doctor's name, telephone and fax numbers
- Specialty medication information, including medication name and strength

3 Easy Steps

1. Call Walgreens Specialty Pharmacy at 1-866-515-1355 to enroll.
2. Register for your online account at **WalgreensSpecialtyRx.com/register**.
3. Have your doctor send your specialty prescription electronically.

Address	E-prescribing name	Fax
Canton, MI 41460 Haggerty Circle South Canton, MI 48188	Walgreens Specialty Pharmacy – MICHIGAN	1-866-515-1356

If you have questions about your copay or drug coverage,
please call the number on the back of your Blue Cross or BCN member ID card.

Blue Cross Blue Shield of Michigan and Blue Care Network are nonprofit corporations and independent licensees of the Blue Cross and Blue Shield Association. Walgreens Specialty Pharmacy is an independent company providing specialty drug services on behalf of Blue Cross Blue Shield of Michigan and Blue Care Network.
